## Corporate Identity

“We are enthusiastic about our work.

Our main priority is to fulfil our customer’s needs”

“Our success is measured by the results our customers have achieved and by their loyalty to us”

## Corporate Vision

- \* We strive for total customer satisfaction.
- \* We shall respond efficiently to all customer’s specific requirements.
- \* We shall meet and implement the ISO 9001:2000 and ISO 14000 ROHS COMPLIANCE with continuous improvement.
- \* We will initiate and carry forward an efficient quality management system.
- \* With the above elements, we will be able to provide good value, quality and mutual benefit to both customers and employees.

## Corporate Mission

In order to achieve our corporate mission, we shall emphasize and implement the following strategies:

- Meeting and succeeding the ISO 9001:2000, ISO 14000 and UL requirements / ROHS COMPLIANCE.
- Continuously improving the effectiveness of the quality management system through our products and services.
- Challenging and establishing quality objectives at all departments and delegating it to all levels for execution.
- Continously developing our work force in terms of skill, knowledge and experience as the employees are the organization’s asset.

## Corporate Strength

- \* Our capabilities provide cost effectiveness and total technical backup in the field of colour compounding. This is primarily due to our:
- \* Strong financial backing with low bank borrowing and independent ownership.
- \* Engaging skilled Japanese and Korean expertise heading each division.
- \* Our direct sourcing from major manufacturers and suppliers gives us the price and service advantage.
- \* Our crew of competent sales personnel provide prompt and efficient service. We buy direct and sell direct.
- \* Our flexible nature caters to customer demands with short lead time.
- \* Our 24-hour operational service offers a wide range of products with an ample warehousing facility which caters to customer's requirements.
- \* We are committed to total quality which includes the environment and we have received the following recognition:

**\*"UL" Approved**

**\*ISO 9001**
